Schooner Hyreel outward bound

Remarks on board the Thursday Aug
At 10 oclock got underweigh with the
from N. E. & stood out of the bay and
at sail bound to the Pacific Ocean
ee wheeling Bayes & so ends this Day

Aug 29th Begins with fresh breezes from N. E
Pleasant weather at 2 P. M. Discharg
the Pilot & bid a parting adieu to
few friends who came thus far with us.
it was then I began to realize my true si
-tion & that I was fast leaving hom
all I held most dear on Earth & pe
forever. then indeed I felt desolate &
& as the darkness of night began to clos
-round us I walked to the taffrel
an long & lingering look towards the p
that contained the only being for wha
I wished to live. at 4 P. M. handed
to S. E. by S. & in top gt sails at 8 P. M
Fore & Main top sails set 6. Reefed th
Main sail & during night fresh breezes &
latter part much the same. the w
employed in setting the watch four o
Lat by Obs So ends this twenty four hour
